T&C Requirements

- At minimum, your terms and conditions will need to have the boilerplate statement

{Program Name}

1. {Insert program description here; a brief description of the types of messages users can expect upon opting in.}
2. You can cancel the SMS service at any time. Simply text "STOP" to the shortcode. Upon sending "STOP," we will confirm your unsubscribe status via SMS. Following this confirmation, you will no longer receive SMS messages from us. To rejoin, sign up as you did initially, and we will resume sending SMS messages to you.
3. If you experience issues with the messaging program, reply with the keyword HELP for more assistance, or reach out directly to {support email address or toll-free number}.
4. Carriers are not liable for delayed or undelivered messages.
5. As always, message and data rates may apply for messages sent to you from us and to us from you. Message frequency varies. For questions about your text plan or data plan, contact your wireless provider.
6. For privacy-related inquiries, please refer to our privacy policy: {link to privacy policy}.

Privacy Policy Requirements

- Please note that a compliant Privacy Policy must state that:

1. If your Privacy policy states that information is shared with affiliates/third parties, Please ensure that you have this clause added under data sharing information:

"All the above categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties, excluding aggregators and providers of the Text Message services."

2. In the case that you do not have any data sharing information in your privacy policy, Please make sure to add this clause to ensure compliance:

"No mobile information will be shared with third parties/affiliates for marketing/promotional purposes. Information sharing to subcontractors in support services, such as customer service is permitted. All other use case categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties."

3. Trust Center and A2P Portal Registration

Step-by-Step A2P Registration Process:

- Access the **Trust Center** to begin the A2P registration process.
- Understand the difference between **Brand Verification** and **Campaign Verification**:
 - **Brand Verification**: Confirms your business legitimacy.
 - **Campaign Verification**: Approves your messaging use case.

Choosing Between Low vs. High Volume Standard:

- **Low Volume Standard**: Suitable for businesses sending fewer messages.
- **High Volume Standard**: Recommended for businesses with large-scale messaging needs.
- Select the appropriate registration type based on your expected message volume.

Campaign Details and Use Case Description:

- **Campaign Details**: Provide a clear and concise **description of your campaign use case**.
- **Sample Messages**: Include realistic and compliant sample messages that align with your use case.

- Ensure all information is **accurate and detailed** to avoid delays in approval.

By following this SOP, businesses can efficiently complete the A2P registration process while ensuring compliance with all necessary regulations and requirements.
